Application form - Objective 2

Application name

☐ I am aware that my personal data and the information I am providing as attachment will be handled by POLI.design for evaluation purposes. If this box is not ticked, my application will be discarded. (optional)

☐ I confirm that to the best of my knowledge, I meet the eligibility criteria of this call and that the documentation provided is complete. (obligatory)

My name(s) and surname(s)

My country of residence

My full postal address (optional)

My telephone number (with international prefix)

URL of the AI4Gov-X programme's extracurricular activity page I am enrolled or accepted in:

My student ID number (optional)

☐ Click here if you are also enrolled or accepted in the MagiX master's course (optional)

☐ Click here if you are currently in an unemployment status (optional)

Email address to receive information on the outcome of this application

☐ Check here to apply for Objective 1 (cost reimbursement scheme). If this box is left unchecked, your application will be considered for Objective 2 (internship support scheme). However you can consider a second application for the other Objective in this same cut-off date of the call. (optional)

Write here your funding request. This should match the information provided as attachment (see next section, "Supporting material") according to the rules of the call.

Supporting documentation may be attached as follows:

1. Upload files in the requested format (usually pdf or zip). Different formats will be rejected. The maximum file size in MB is indicated and cannot be exceeded.
2. Heavy attachments (such as videos or larger sized pdfs or zip files) may be hosted on a third party site (such as YouTube or WeTransfer). However please note that it is your responsibility to ensure that they remain available for sufficiently long time during the evaluation process. As an indicative rule, you may allow them to stay available online until the NEXT cut-off date of this call, i.e. in 2-months time.
3. If third party hosting sites are used, please put their URLs together with any access instructions (e.g. username and password) in a pdf uploaded to the relevant window. Please ensure that any applicable usernames and passwords are provided and active.
4. Incomplete applications (missing some of the requested attachments) will be rejected.
5. All texts should be provided in English language. Automated translations or dubbing of videos in other languages are acceptable, but it will be your responsibility to ensure they are clearly understandable.
6. Please do not upload any unrequested material as the evaluators will not consider it.
7. There are no prescribed templates for the attachments unless specifically indicated (e.g. the Europass CV format). Please don't ask for them, they simply don't exist.

My CV in pdf (please use the Europass format, maximum size 5MB).

Motivation letter in pdf (no template, maximum size 2MB).

Evidence of disadvantaged background and/or priority categories (where applicable, according to the call) in zip or pdf format (no template, maximum size 10MB).

ONLY for objective 1: indicative cost breakdown (travel, accommodation, fees, etc.) in pdf format (no template, maximum size 2MB). (optional)

ONLY for objective 2: Copy of an internship contract, or equivalent legally binding agreement, covering at least in part the duration of the AI4Gov-X programme activities, and showing the amount paid by the host organisation, in pdf format (no template, maximum size 5MB). (optional)

By submitting this application, I confirm that

1. I am a **natural person** and a national of an eligible country for the Call.
2. I have been **enrolled in, or formally accepted into**, any of the extracurricular activities of AI4Gov-X at the time of application.
3. I am **not subject to restrictive measures** or other disqualifying conditions according to the EU or national legislation in my country.
4. I am **not receiving double funding** for the same operation.
5. I am **not in a situation of conflict of interest** with POLI.design or any other AI4Gov-X partner.
